

# You are warmly invited to the launch of The Culture, Health and Wellbeing Alliance

Tuesday 13 March 17.30-19.30, Birmingham Museum and Art Gallery  
[Edmund Street \(Gas Hall\) Entrance](#), Birmingham B3 3DH

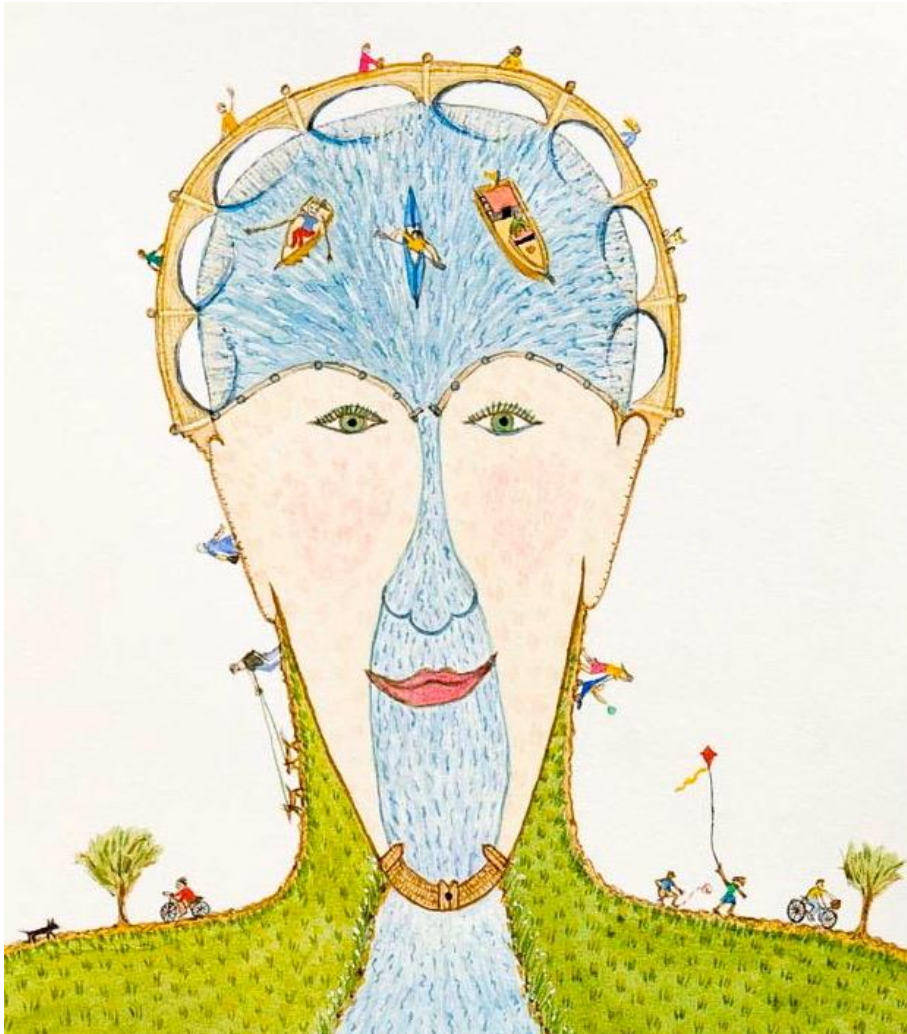

We will hear from artist [Bobby Baker](#), Lord Howarth of Newport, President of the Culture, Health and Wellbeing Alliance, and Mags Patten, Executive Director of Public Policy and Communications at Arts Council England, as we mark the launch of a new Arts Council England Sector Support Organisation. We are delighted that the [Choir with No Name](#) will perform for us.

The Culture, Health and Wellbeing Alliance is delivered by [Arts & Health South West](#) and brings together the [National Alliance for Arts, Health and Wellbeing](#) and the [National Alliance for Museums, Health and Wellbeing](#) and involves over 50 leading organisations. We will work closely with the [All-Party Parliamentary Group on Arts, Health and Wellbeing](#) to bring about a step change in policy and delivery, and provide support to the sector with free membership, regional representation, events, training and a central resource for everyone with an interest in culture and health.

Find out more about our plans and view the exhibition [Coming Out: Sexuality, Gender and Identity](#), featuring over 80 modern and contemporary artworks by internationally renowned artists.
